FRESH FROM THE BLENDER!

Essie's six new fruit inspired hand and body lotions are delicious.

Loaded with *anti-aging* alpha hydroxy acids and skin-quenching natural emollients, the fast absorbing formula keeps skin radiantly young and scrumptiously smooth.

The six mixed-fruit scents have mouth-watering, *fresh-from-the-blender* aromas that uplift the spirit as they smooth and soothe even the most dehydrated skin.

Essie's super-hydrating formula includes only the best ingredients to moisturize, protect and oxygenize the skin, while the exfoliating properties of AHA increase cell turnover bringing younger derma cells to the surface. Available in six insatiable scents, smoothies are an experience, the ultimate treatment for the hands and body:

- Pomegranate & Mango
- Kiwi & Lime
- Cranberry & Tangerine
- Coconut & Pineapple
- Blueberry & Banana
- Lemon & Guava

Take your senses to the tropics and your skin to the juice bar with essie smoothies™, total refreshment for the body and mind.
